A quick step by step guide to reserving your new property!...

1/ Decide who you would like to live with & fix the group size i.e. 2/3/4/5/6/7 people.

Ok, you're all set to look for the right size property! What's next...

2/ Agree on a budget (weekly, monthly, termly, yearly) to help refine your search.

It's probably easiest to think about your budget for the whole year.

3/ Think about locations. Would you rather be in the City Centre near shops / bars / nightlife, or nearer the University?

4/ Take a look around the website. The menu at the top will guide you around the different size houses.

There are maps, photos, introductory videos & virtual tours of all properties.

All rents are shown weekly to make comparison easy.

5/ Call us whenever convenient to you to say hi and talk about your property search! Once we know a bit about your group requirements we will be able to suggest some properties that match your group criteria the best!

6/ Once you've decided upon a selection of properties let's book a FREE minibus tour.

The minibus runs 10am to 8pm daily.

7/ The holding fee is £100 per person. (This goes towards your deposit).

8/ The application forms and tenancy agreement will be emailed to you for online signing. It's a really easy process.

9/ Congratulations! You've just sorted your house for next year!

ONLY £100 HOLDING FEE PER PERSON TO RESERVE OUR PROPERTIES

Tenancy Dates

Our properties are let on a 1 year cycle, in line with each academic year.

The tenancy dates are 1 July 2026 to 30 June 2027.

On applying for a student property you will confirm that you are a full time student, and we will ask for your university ID to confirm student status. This will also exempt you from council tax. We will provide you with the relevant notice (ground 4a) that the tenancy will only run for 12 months, and will end in June, ready for the next group of students and the next academic year. This enables you, and your guarantor, to plan your financial commitments for each academic year, one year at a time, without the risk of a tenancy rolling on indefinitely.

Please see individual property advertisements for details of rents.

All rents are shown weekly, and include bills.

There are 52 weeks in a year, so the total contract price is a week x 52.

For a monthly figure, simply divide a year by 12 months.

Rent payments are monthly.

On reserving a property you will make a payment of £200 towards the first months rent.

The balance of the first months rent, minus the £200 you paid at reservation, is due one month ahead of the start date of the tenancy (so 1st June 2026).

The second months rent is due on 1 August 2026, the last payment is due on 1 June 2027, and the tenancies end 30 June 2027.

A total of 12 equal payments.

If you wish to pay quarterly, as you may be more used to (so during term time paying for a term when student finance arrives), you are welcome to do so. Any overpayments you make will simply allocate as credits towards the months ahead.

Our student damage deposit = £200 per person for all 3, 4, 5, 6, and 7 bedroom properties. (This is £400 per person at 1 and 2 bedroom properties only), payable within 14 days of reservation.

Industry Standard Deposits are equal to 5 weeks rent.

We heavily discount the standard deposit from a sum equal to 5 weeks rent, to a flat rate of £200, on the understanding that our student tenants do not generally wish to introduce pets to the property, as much for the benefit of housemates who may be nervous of certain types of pets, or suffer allergies.

At the point of reservation you will have the opportunity to take advantage of the discount.

In the event that a pet is introduced to the tenancy, and assuming all housemates are in agreement, we do not increase the deposit, we simply remove the discount. You would need to provide the industry standard deposit in this event.

The deposit is refundable, subject to the property being vacated in an acceptable condition, promptly after the end of the tenancy. The deposit is protected in an approved scheme. This guarantees your deposit is safe.

There is no extra deposit payable for renewals – your existing deposit is transferred.

Keys are available to you on 1st July 2026 (or the first date of the lease if different dates).
